

WP7 Pilot implementation of vocational courses

Pilot implementation of vocational courses will be lead by Prof. Jovanovic, P4, Dean of the Faculty. It consists of 2 activities: 7.1 Implementation of classical pilot vocational courses and 7.2 Implementation of pilot web based vocational courses. Both activities will be held during a school year 2015/2016. 30 University professors will implement classical, and 30 UP will implement online courses. Courses in 7.1 will be held in HE Institutions, 30 AMS teachers and 30 agronomists from ES will take classical vocational courses at 5 Universities. For activity 7.2 30 AMS teachers and 30 agronomists from ES will take online courses.
